As reported on 8/3/2015 and in my misbehavior report that while working in the west messhall during a two man fight between inmates [REDACTED] and inmate [REDACTED] I C.O. Cocuzza witnessed inmate [REDACTED] jump up from his seat and begin yelling. I ordered the inmate to sit back down numerous times, he did not comply and continued yelling. [REDACTED] was yelling to the other inmates in the area "this isn't a real riot lets get this shit started". He continued yelling "lets riot, fuck these guys" to the 354 inmates in the messhall causing other inmates to stand up until chemical agents were dropped. At that point inmate [REDACTED] as well as others ran out of the messhall, and into the yard.

I then grabbed the back of his shirt with my left hand and grabbed his right leg with my right hand and forced inmate [REDACTED] to the floor. At this time I proceeded to hold inmate down until mechanical restraints were applied, I then assisted inmate [REDACTED] to his feet.
